NK Theatre Arts are holding Drama Summer Workshop sessions from 9th – 13th August 2021 at The Forum Theatre in Romiley where participants will take part in a fun filled week of theatre related activities from drama and stories to acting and performing! This really will be great fun and a chance to create a piece of theatre ready for performance on the Friday night.

This will be suitable for both the experienced performer and the basic beginner who wants to get into drama and performance for the very first time! Juniors will be attending sessions in the morning and seniors in the afternoon, with both groups on the Friday (so please make sure you have a packed lunch if needed) and everyone is back in the evening for a performance!
