NK Theatre Arts are holding Drama Summer Workshop sessions from 7th – 11th August 2023 at The Forum Theatre in Romiley where participants will take part in a fun filled week of theatre related activities from drama and stories to acting and performing! This really will be great fun and a chance to create a piece of theatre ready for performance on the Friday night.

This will be suitable for both the experienced performer and the basic beginner who wants to get into drama and performance for the very first time!

Please make sure that participants are provided with a packed lunch each day. We will also be having drinks breaks in the morning, again please provide this.

The timings for the day will be 10am – 3pm Monday to Friday and sessions will start and finish via the theatre main entrance, however for the performance on the Friday, please drop performers off at the Stage Door for 6pm. (This is situated at the back of the theatre in the small car park). The bar will be open for refreshments prior to the performance which will start at 7pm. We anticipate the performance to finish at approximately 8.30pm.

As the week progresses, we may provide more information relating to the performance day should any timings change.

Please make sure that participants are available for all sessions and should there be any issues, please speak to us before the week begins.
